Objective

Seeking a Front-End Developer role where I can apply my knowledge, enhance my technical abilities, and contribute to the organization's success while growing professionally.

Education

Sankara College of Science and Commerce, B.Sc. in Computer Science 2023 – 2026

- Percentage: 85

Infant Jesus Matriculation Higher Secondary School, HSC 2022 – 2023

- Percentage: 85

Project

Project on Artificial Intelligence and Machine Learning, Fake Content Detection Jan 2026

- Built a machine learning-based Fake Content Detection System for classifying real and fake content using text and image analysis.
- Implemented data preprocessing, feature extraction, and model evaluation, and integrated the trained model into a user-friendly application for real-time prediction.

Internship

Internship on Web Technology, Gateway Software Solutions May 2025

- Completed a 15-day internship focused on Web Technology.
- Gained hands-on experience with HTML, CSS, JavaScript and basic web design.

Certifications and Trainings

Infosys BPM – 15-Day Training Program July 2025

- Completed training on soft skills, communication, and presentation.
- Enhanced teamwork, adaptability, and corporate readiness.

Certified by Christ University, Bengaluru February 2025

- Gained introductory knowledge in Augmented Reality, Virtual Reality, and drone technology.
- Learned basic cybersecurity concepts, including firewalls, phishing, and password protection.

Course on UI/UX October 2024

- Gained practical skills in UI/UX design using Figma.
- Designed interactive mobile app prototypes using Figma, replicating real-world apps like Instagram.

Course on Web Designing October 2023

- Gained foundational knowledge in web designing.
- Learned the basics of creating user-friendly web pages using HTML and CSS.

Achievements

- Secured 1st place in paper presentation on *Statistics in the Era of Big Data* during National Statistics Day.
- Secured 2nd place in PowerPoint presentation on Augmented Reality and Virtual Reality.
- Secured 2nd place in combined poster presentation and web page creation competition.
- Secured 3rd place in Mini Hackathon event.
- Awarded Certificate of Achievement for securing 1st mark in Mathematics in both 1st and 2nd semesters.

Skills & Languages

- **Technical Skills:** Python, HTML, CSS, JavaScript, React, UI/UX
- **Soft Skills:** Communication, Teamwork, Time Management
- **Languages:** English (Professional), Tamil (Native)
